Continuing Students

Students are required to successfully, complete all courses in Level 1 before they can proceed to undertake courses in Level 2. Please continue to follow the prescribed course of study given.

Advice For Managing Course Load

Most students carry between 1 – 4 courses per semester. **For the working adult**, we recommend that you **do not attempt more than three (3) courses** per semester and two (2) courses in summer.

Plan wisely to suit your particular situation so you may perform at your full potential. Do not jeopardize your long-term goals by being unrealistic about what you can handle.
