GLOBAL CAMPUS**

**SCHEDULE OF FEES
(REGIONAL PROGRAMMES)
ACADEMIC YEAR 2023/2024**

Tuition Fees

Tuition fees cover tuition and examination costs as well as the cost of some learning materials. Textbooks are not included in your tuition fee. Where appropriate, the cost associated with e-learning and tutorials are covered in the tuition fee. Tuition fees are paid by semester at the time of registration. **The tuition fees for repeating a course are the same as for a first attempt.**

Administrative & Other Fees

In addition to tuition fees, there are compulsory fees (i.e. ID card, Guild Fees) and administrative service fees as listed hereunder. Details of other local administrative fees can be obtained from your Site.

Fees are paid in the local currency of the Site of registration, however, students wishing to pay in United States Dollars may do so and should contact their Sites for details. The base currency for the calculation of fees for regional programmes is the United States Dollar (US\$). Please note that the fees quoted below are based on the confirmed exchange rates for the 2023/2024 academic year which can be found at the end of this document.
