for any adjustments to the schedule.

New Students

Students who enrolled as of Academic Year 2024/2025 must follow the prescribed course of study and sequence given for their programme.

Continuing Students

Students are required to successfully complete all courses in Year 1 before they can proceed to undertake courses in Year 2. Please continue to follow the prescribed course of study given.

Advice For Managing Course Load

Most students carry between 1 – 3 courses per semester. **For the working adult**, we recommend that you **do not attempt more than three (3) courses** per semester and two (2) courses in summer.

Plan wisely to suit your particular situation so you may perform at your full potential. Do not jeopardize your long-term goals by being unrealistic about what you can handle.
