IMPORTANT INFORMATION TO GUIDE COURSE SELECTION & REGISTRATION

Kindly review this document at the start of each semester for any adjustments to the schedule.

New Students

Students who enrolled as of Academic Year 2024/2025 must follow the prescribed course of study and sequence given for their programme.

Continuing Students

Students are required to successfully complete all courses in Year 1 before they can proceed to undertake courses in Year 2. Please continue to follow the prescribed course of study given.

Advice For Managing Course Load

Most students carry between 1 – 3 courses per semester. **For the working adult**, we recommend that you **do not attempt more than three (3) courses** per semester and two (2) courses in summer.

Plan wisely to suit your particular situation so you may perform at your full potential. Do not jeopardize your long-term goals by being unrealistic about what you can handle.

IMPORTANT NOTE for New Students

Orientation is the first step to achieving academic and personal success at the UWI Global Campus. It supports you by assisting with your transition to the online environment. It will equip you with the needed navigational skills to function successfully online and provide pertinent information about the available services, go to persons and responsibilities as an online student. It is imperative that you attend the online sessions offered by the Online Programmes Delivery Department (OPDD) as well as the session offered at your local site office.

The **BSc Accounting** programme is delivered online using the Open Campus “Learning Exchange” environment (Moodle/Learning Management System). It is a 90-credit undergraduate programme. The duration of the programme is 3 years full-time and five years part-time. In order to qualify for the award of the BSc Accounting degree, students must attain the credits at the respective levels as shown in the Table below.

BSc Accounting programme operates under a semester system.

- Semester 1 and 2 each, have thirteen (13) weeks of instruction plus an examination period.
- Summer session has seven (7) weeks of instruction plus the examination period.

Remember to check the programme advising document before the start of registration and during the semester for any updates or additional information.

Prerequisites for Matriculation into the BSc Accounting Programme

Mathematics Requirements: For entry into Undergraduate programmes, an approved qualification in Mathematics is required. The **minimum standard** is a **pass in CSEC Mathematics** or an **equivalent qualification**. However, **programme-specific requirements may vary**, so students are advised to consult their programme handbook or academic advisor for specific guidelines.

If You Do Not Meet the Entry-Level Mathematics Requirement:

Students who do not have an approved qualification in Mathematics must **successfully complete one of the approved remedial Mathematics courses** before registering for certain university-level courses.

These approved courses include:

- **MATH0900 – Remedial Mathematics**
- **IYMS1001 – Improving Your Math Skills**

Both courses are offered in **Semester 1, Semester 2, and Summer**.

Mathematics Prerequisites for Degree-Level Courses:

Completion of **either IYMS1001 or MATH0900** will satisfy the prerequisite requirement for registration in the following courses:

- **ECON1003 – Mathematics for Social Sciences I**
- **ECON1005 – Introduction to Statistics**
