the Programme Manager (PM)

IMPORTANT INFORMATION TO GUIDE COURSE SELECTION & REGISTRATION

Kindly review this document at the start of each semester
for any adjustments to the schedule.

New Students

Students who enrolled as of Academic Year 2024/2025 must follow the prescribed course of study and sequence given for their programme.

Continuing Students

Students are required to successfully, complete all courses in Year 1 before they can proceed to undertake courses in Year 2. Please continue to follow the prescribed course of study given.

Advice For Managing Course Load

Most students carry between 1 – 3 courses per semester. **For the working adult**, we recommend that you **do not attempt more than three (3) courses** per semester and two (2) courses in summer.

Plan wisely to suit your particular situation so you may perform at your full potential. Do not jeopardize your long-term goals by being unrealistic about what you can handle.

IMPORTANT NOTE for New Students

Orientation is the first step to achieving academic and personal success at the UWI Global Campus. It supports you by assisting with your transition to the online environment. It will equip you with the needed navigational skills to function successfully online and provide pertinent information about the available services, go to persons and responsibilities as an online student. It is imperative that you attend the online sessions offered by the Online Programmes Delivery Department (OPDD) as well as the session offered at your local site office.

Kindly check before the start of registration and during the semester for any updates or additional information. Please be guided accordingly.

The **BSc. Political Science with Minor in Economics** demonstrates the importance of scientific reasoning in the study of politics, the importance of political discovery and practical relevance of political knowledge for progressive Caribbean democracies and economic planning and development. The programme is delivered online using the Global Campus “Learning Exchange” environment (Moodle/Learning Management System).

The **BSc. Political Science with Minor in Economics programme** is a 90-credit undergraduate programme. The duration of the programme is 3 years full-time and five years part-time. In order to qualify for the award of the BSc Political Science with Minor in Economics degree, students must attain the credits at the respective levels as shown in the Table below.

Awards	Level 1	Level 2	Level 3	Total Credits
Degree	30 credits	30 credits	30 credits	90 credits

BSc. Political Science with Minor in Economics programme operates under a semester system.

- Semester 1 and 2 each, have twelve (12) weeks of instruction plus an examination period.
- Summer session has seven (7) weeks of instruction plus the examination period.

Remember to check the programme-advising document before the start of registration and during the semester for any updates or additional information.

Pre-requisites for Matriculation into the BSc. Economics Programme

Mathematics Requirements: For entry into Undergraduate programmes, an approved qualification in Mathematics is required. The minimum standard is a pass in CSEC Mathematics or an equivalent qualification. However, programme-specific requirements may so students are advised to consult their programme handbook or academic advisor for specific guidelines.

If You Do Not Meet the Entry-Level Mathematics Requirement:

Students who do not have an approved qualification in Mathematics must **successfully complete one of the approved remedial Mathematics courses** before registering for certain university-level courses.

These approved courses include:

- **MATH0900 – Remedial Mathematics**
- **IYMS1001 – Improving Your Math Skills**

Both courses are offered in **Semester 1, Semester 2, and Summer**.

Mathematics Prerequisites for Degree-Level Courses:

Completion of **either IYMS1001 or MATH0900** will satisfy the prerequisite requirement for registration in the following courses:

- **ECON1003 – Mathematics for Social Sciences I**
- **ECON1005 – Introduction to Statistics**

*****Students must ensure they have fulfilled these prerequisites before attempting to register for the above courses.***

English Language Requirements: All undergraduate students must demonstrate proficiency in English before registering for FOUN1001 – English for Academic Purposes.

Step 1: English Language Proficiency (via ELPT or [Exemptions](#))

Step 2: Course Prerequisite for FOUN1001

- Successfully complete **FOUN0003** – Communication and Use of English (formerly ACRS003)

Applicants/ incoming students must successfully pass the English Language Proficiency Test (ELPT) on the **first attempt** or must successfully complete the FOUN0003 course.

*****Note: The dates for the ELPT can be found in the [Academic Calendar](#). More information about the ELPT can be found on the [Global Campus website](#).***

Kindly check before the start of registration and during the semester for any updates or additional information. Please be guided accordingly.

Foreign Language Requirements: As of the 2025-2026 Academic Year, **new/ incoming** undergraduate students are required to satisfy the Foreign Language Requirement Regulation by successfully completing one (1) foreign language course (3 credits) to meet the requirements for graduation. This can be done in the following ways:

1. The Global Campus option: Successfully complete the **SPAN0900** - Introductory Spanish offered by The UWI Global Campus. This may be substituted for either one of the following courses:
 - a. **FOUN1101** - Caribbean Civilization
2. The self-study option: Successfully complete TWO online courses offered by The Universitat Politècnica de València (UPV). The certificate option is required.
3. Student exchange and study abroad option

Important further information can be found on the [Global Campus website](#).
