## New Students

Students who enrolled as of Academic Year 2025/2026 must follow the prescribed course of study and sequence given for their programme.

## Continuing Students

Students are required to successfully, complete all courses in Year 1 before they can proceed to undertake courses in Year 2. Please continue to follow the prescribed course of study given. Courses being repeated should be taken at the first available opportunity before you attempt to register for courses at the next Level.

## Advice For Managing Course Load

Most students carry between 1 – 3 courses per semester. **For the working adult**, we recommend that you **do not attempt more than three (3) courses** per semester and two (2) courses in summer. Plan wisely to suit your particular situation so you may perform at your full potential. Do not jeopardize your long-term goals by being unrealistic about what you can handle.
