# IMPORTANT INFORMATION TO GUIDE COURSE SELECTION & REGISTRATION

Kindly review this document at the start of each semester for any adjustments to the schedule.

## New Students

Students who enrolled as of Academic Year 2019/2020 must follow the prescribed course of study and sequence given for their programme.

## Continuing Students

Students are required to successfully complete all courses in Level 1 before they can proceed to undertake Level 2 courses. Please continue to follow the prescribed course of study given.

## Advice For Managing Course Load

Most students carry between 1-4 courses per semester. **For the working adult**, we recommend that you **do not attempt more than three (3) courses** per Semester and two (2) courses in Summer. Plan wisely to suit your particular situation to perform at your full potential. Do not jeopardize your long-term goals by being unrealistic about what you can handle.

## IMPORTANT NOTE for New Students

Orientation is the first step to achieving academic and personal success at the UWI Global Campus. It supports you by assisting with your transition to the online environment. It will equip you with the needed navigational skills to function successfully online and provide pertinent information about the available services, go-to persons, and responsibilities as an online student. You must attend the online sessions offered by the Online Programmes Delivery Department (OPDD) and the session provided at your local site office.
