for any adjustments to the schedule.

New Students

Students who enrolled as of Academic Year 2025/2026 must follow the prescribed course of study and sequence given for their programme.

Continuing Students

Students are required to successfully, complete all courses in Year 1 before they can proceed to undertake courses in Year 2. Please continue to follow the prescribed course of study given. Courses being repeated should be taken at the first available opportunity before you attempt to register for courses at the next Level.

Advice For Managing Course Load

Most students carry between 1 – 3 courses per semester. **For the working adult**, we recommend that you **do not attempt more than three (3) courses** per semester and two (2) courses in summer. Plan wisely to suit your particular situation so you may perform at your full potential. Do not jeopardize your long-term goals by being unrealistic about what you can handle.

IMPORTANT NOTE for New Students

Orientation is the first step to achieving academic and personal success at the UWI Global Campus. It supports you by assisting with your transition to the online environment. It will equip you with the needed navigational skills to function successfully online and provide pertinent information about the available services, go-to persons and responsibilities as an online student. It is imperative that you attend the online sessions offered by the Online Programmes Delivery Department (OPDD) as well as the session offered at your local site office.
