IMPORTANT INFORMATION TO GUIDE COURSE SELECTION & REGISTRATION

Kindly review this document at the start of each semester for any adjustments to the schedule.

New Students

Kindly follow the prescribed course of study and sequence given for your programme as indicated in this document.

Continuing Students

Please continue to follow the prescribed course of study given previously.

Advice For Managing Course Load

As per the Regulations, students who are working for more than 12 hours per week are considered to be part-time students and should usually take no more than two (2) courses and their co-requisite laboratory per semester and one (1) course and co-requisite laboratory in the summer. The schedule of courses for part-time students is outlined in this guide.

IMPORTANT NOTE for New Students

Orientation is the first step to achieving academic and personal success at the UWI Global Campus. It supports you by assisting with your transition to the online environment. It will equip you with the needed navigational skills to function successfully online and provide pertinent information about the available services, go to persons and responsibilities as an online student. It is imperative that you attend the online sessions offered by the Online Programmes Delivery Department (OPDD) as well as the session offered at your local site office.

Kindly check before the start of registration and during the semester for any updates or additional information. Please be guided accordingly.

The **Postgraduate Certificate in Teaching and Learning with Emerging Technologies** (PG Cert. TLET) The programme seeks to target persons engaged in education or training or other suitably qualified persons wishing to develop graduate competencies in teaching and learning. The programme is delivered online using the Global Campus “Learning Exchange” environment (Moodle/Learning Management System).

The **Post graduate Certificate in Teaching and Learning with Emerging Technologies Programme** is a 12-credit graduate programme. Participants can enrol in no more than two (2) content courses and their co-requisite laboratories in any semester. Under the planned delivery schedule, the programme can be completed in a minimum of two (2) semesters and a maximum of two (2) years.

To qualify for the award of the **Certificate in Teaching and Learning with Emerging Technologies** degree, students must attain credits and satisfy components as follows:

Component	Core	Concentration	Advanced Topics	Research Methods	Research Course Rooms	Total Credits
Credits	12	0	0	0	0	12

Postgraduate Certificate in Teaching and Learning with Emerging Technologies Programme operates under a semester system.

- Semester 1 and 2 each, have thirteen (13) weeks of instruction plus an examination period.
- Summer session has seven (7) weeks of instruction plus the examination period.

Remember to check the programme-advising document before the start of registration and during the semester for any updates or additional information.
