IMPORTANT INFORMATION TO GUIDE COURSE SELECTION & REGISTRATION

Kindly
review this document at the start of each
semester for any adjustments to the schedule.

New Students

Kindly follow the prescribed course of study and sequence given for your programme as indicated in this document.

Continuing Students

Please continue to follow the prescribed course of study given previously.

Advice For Managing Course Load

As per the Regulations, students who are working for more than 12 hours per week are considered to be part-time students and should usually take no more than two (2) courses per semester and one (1) course in the summer. The schedule of courses for part-time students is outlined in this guide.

IMPORTANT NOTE for New Students

Orientation is the first step to achieving academic and personal success at the UWI Global Campus. It supports you by assisting with your transition to the online environment. It will equip you with the needed navigational skills to function successfully online and provide pertinent information about the available services, go-to persons and responsibilities as an online student. It is imperative that you attend the online sessions offered by the Online Programmes Delivery Department (OPDD) as well as the sessions offered at your local site office.

The **Edd TLET programme** seeks to develop highly qualified leaders with advanced professional knowledge and skills in the use of technologies in the field of education. The programme is delivered online using the Global Campus “Learning Exchange” environment (Moodle/Learning Management System).

The **Edd TLET programme** is a 73-credit graduate programme. The duration of the programme is a minimum of 52 months. To qualify for the award of the **Edd TLET** degree, students must attain credits and satisfy the components as follows:

Component	Core	Concentration	Advanced Topics	Research Methods	Thesis	Total Credits
Credits	33	0	16	6	18	73

Edd TLET programme operates under a semester system.

- Semesters 1 and 2 each, have thirteen (13) weeks of instruction plus an examination period.
- Summer session has seven (7) weeks of instruction plus the examination period.

Remember to check the programme-advising document before the start of registration and during the semester for any updates or additional information.

Mandatory Course

Mandatory Course

Students are required to complete the **Graduate Introduction to Teaching and Learning with Emerging Technologies** course (**OOL6100**). OOL6100 is a two-part course. Part 1 introduces students to a self-paced orientation and assessment of technology tools (TechQuest 2) used in the delivery of the programme, and Part 2, covers the programme objectives and expectations of graduate learners. The Graduate Introduction to Teaching and Learning with Emerging Technologies (OOL6100) course must be completed before commencing the programme. Information about this course is provided in the acceptance package.

Technology Requirement: Students will need to have access to a computer with Internet access.
