NOTICE TO ALL NEW UWI OPEN CAMPUS UNDERGRADUATE STUDENTS FROM TRINIDAD AND TOBAGO

ENROLMENT AND PAYMENT POLICY FOR STUDENTS ELIGIBLE FOR GATE FUNDING
EFFECTIVE ACADEMIC YEAR 2022/2023, SEMESTER 1
UNDERGRADUATE PROGRAMMES

Dear Student,

Welcome to The University of the West Indies Open Campus! Your admission to the UWI marks the beginning of the next phase of your professional development and the Open Campus is here to partner with you in realising your full potential.

This correspondence is a reminder of the recent revisions made to the GATE policy which became effective August 2020 which states: -

- ***With effect from August 2020, funding under the GATE programme will be provided for no more than one (1) programme up to undergraduate level.***

- ***Students who already possess undergraduate or postgraduate qualifications, regardless of whether or not they were beneficiaries of the GATE Programme, will not be able to access funding for any other programme.***

- ***Effective August 2016, persons over the age of 50 years shall no longer be eligible for GATE funding.***

We also ask that you note the following details:

1. With the introduction of Means Testing and the fact that the online programmes that are approved for GATE funding are based on the 2013/2014 fees, your tuition fees will not be **100%** covered by GATE.

2. Effective Semester 1, 2022/2023, students undertaking **online undergraduate** degree programmes will be required to pay **all compulsory and administrative fees as well as a non-refundable deposit of $1,600**. The deposit will be applied to the portion of the fee which is not covered under GATE. **These fees must be paid before the end of the normal registration period on September 4, 2022.**

3. To assist you, the Open Campus GATE fee~~s~~ schedule for online undergraduate students (please see below), shows the funding shortfall per course based on the number of course credits and the percentage of funding covered by GATE.

4. The schedule highlights the approved 2022/2023 tuition fees which are charged during the registration process and the old 2013/2014 tuition fees which are used by GATE to make payments. The difference between the current fees and the GATE payments based on the old fees represent the tuition fees payable by you.

<u>The following is applicable for the next Semester when you register for your courses:</u>

5. If enrolled in online undergraduate programmes, you will be required to pay all compulsory fees, if applicable, as well as the total amount of fees not funded by GATE, based on the percentage of funding approved by GATE for the previous semester.

6. If your GATE application is submitted within the stated deadline, but your application is denied or there is a balance of tuition fees to be settled after applying the approved level of GATE funding, you will be required to pay the balance before the semester ends. Failure to clear your outstanding balance will result in a financial hold being placed on your account.
